**ATTENTION: EXPRESS PROGRAMMATIC DOMAIN CONTRACTORS**

**SUBJECT: Task Order Request for Quotation (TORFQ), 2014P-05**

The U.S. Army Contracting Command requests your quotation for this TORFQ entitled “PLANS INTEGRATION AND PLANNING ANALYSIS APACHE ATTACK HELICOPTER PROJECT MANAGER’S OFFICE.” This TORFQ is competitively solicited under Full and Open Competition for award in accordance with the EXPRESS Blanket Purchase Agreements (BPAs). The Performance Work Statement (PWS), Contract Data Requirements List (CDRLs), and evaluation criteria/quotation contents are provided herewith.

Funds are not presently available for this task order. The Government’s obligation under this task order is contingent upon the availability of appropriated funds from which payment for contract purposes can be made.

**Please be advised that the Offeror’s business size for this quotation will be determined by the small business representation made on the primary GSA Schedule for the NAICS code identified in the Offeror’s BPA. The business size for Team Members will be determined by the small business representation made on the primary GSA Schedule/applicable NAICS code in the Offeror’s BPA. The business size for Subcontractors will be determined by the small business representations in the System for Award Management (SAM) for the applicable NAICS code on the schedule to which they are being mapped. You are cautioned that the business size noted on the GSA Schedule may be different from the business size for EXPRESS. Whereas a GSA Schedule may contain small business representations for multiple NAICS codes; the one determined primary for GSA will determine that schedule size. However, the NAICS code applicable to EXPRESS will be used to determine business size for EXPRESS, regardless of schedule size. Therefore, the NAICS code applicable to EXPRESS must be available on the GSA schedule.**

Following is a summary of the applicable EXPRESS NAICS:

If MOBIS or LOGWORLD is identified as the primary schedule, the NAICS Code and business size standard assigned to the schedule by GSA will apply. If PES is identified as the primary schedule, NAICS 541330 and a size standard of \$35.5M, will apply to the Business & Analytical, Logistics and Programmatic Domains and NAICS 541712 and a size standard of 1,000 employees will apply to the Technical Domain. If IT is identified as the primary schedule, NAICS 541511/541512/541513 and a size standard of \$27.5M will apply to all domains. If the Consolidated Products and Services Schedule is identified as the primary schedule, the primary

special item number covered by this schedule (PES, MOBIS, LOGWORLD, or IT) that will be used to satisfy the majority of domain requirements must also be identified. The NAICS and size standard for the primary special item number, as identified above, will then apply.

The Government intends to evaluate quotations and award this order without discussions. Failure to strictly comply with the Government's instructions regarding any of the following items will make your offer ineligible for award, unless the Government elects to enter into discussions and all deficiencies are remedied in a revised quotation.
