

FY2016

ACC-Warren Industry Engagement Sessions

Event Overview

The purpose of the Industry Engagement Sessions is to provide a forum for ACC-Warren to disseminate information, exchange feedback, and build rapport with industry. Attendees will receive presentations on relevant topics, and then have the opportunity to engage ACC-Warren personnel (Division Chiefs, key leadership, etc.) in an hour of Q&A discussion. We also intend to spend time on pertinent items of note to industry (major policy changes, conferences, etc).

Sessions are free, and open to all industry regardless of NAICS classification. ACC-Warren leadership and personnel will be present at all sessions. **Procurement/Source Selection sensitive information will not be discussed during this event.** Attendees must be registered in the System for Award Management (SAM) at www.sam.gov.

Attendees will be required to RSVP, which includes providing a pertinent question or issue you wish to discuss during the Q&A session. Registration information is below.

Topic: How can we reduce lead time?

Presenters: Mr. John Jolokai, Director, Combat & Service Contracting

Date: 03 November 2016

Time: 0900 – 1200

Location: Joint Dining Facility
Bldg 164
43156 Wagner St
Selfridge ANGB, MI 48045

Overview: We are trying something new with this Industry Engagement Session. Our plan is do a short presentation and then totally turn the event over to you, our Industry partners. We want to hear from you on **ways to reduce lead time**. Please submit ideas on how we can reduce lead time for discussion at the IES. Also, if any industry partners would like to speak on lead time reduction at the IES, please let Catherine Liedke, and Sara Peeters (usarmy.detroit.acc.mbx.wrn-xo@mail.mil) know so we can discuss with Ms. Mendoza and the Directors.

We will still have our open Q&A panel discussion during the last hour of the event, so as always, please submit questions on any topic for our Division Chiefs to address during the IES.
