Army Contracting Command-New Jersey

ACC-New Jersey is one of 6 U.S. Army Contracting Command contracting centers. It is located at Picatinny Arsenal and Joint Base McGuire-Dix-Lakehurst, N.J. ACC-NJ has a broad customer base with both onsite and globally remote customers.

ACC-New Jersey plans, directs, controls, manages and executes the full spectrum of contracting, acquisition support and business advisory services in support of major weapons, armaments, ammunition systems, information technology and enterprise systems for the Army and other Department of Defense (DOD) customers. It supports all phases of research and development through initial and follow-on production. ACC-NJ utilizes the full spectrum of contract types and contract instruments in support of its customers, with an emphasis on cost and fixed price incentive type contracts.

ACC-NJ's major customers include Program Executive Office (PEO) for Ammunition, PEO Soldier, PEO Enterprise Information Systems, PEO Intelligence Electronic Warfare and Sensors, PEO Ground Combat Systems, Research Development and Engineering Command (RDECOM) Armaments Research, Development and Engineering Center (ARDEC), Special Operations Command, U.S. Army Reserve, Navy Sea Systems Command, Picatinny Garrison, Department of the Army G3/5/7 and the Army Business Transformation Office. New primary customers for ACC-NJ include the Department of the Army Inspector General, Office of the General Counsel, Army Audit Agency, Armed Services Board of Contract Appeals and Defense Health Agency.

ACC-NJ also services the Office of the Secretary of Defense and the Defense Innovative Unit (DIU). DIU provides real-time solutions to develop, procure and integrate innovative commercial technologies through numerous portfolio areas, which include Artificial Intelligence and Material Learning,

Human Systems, Information Technology, Space and Autonomy.

In fiscal year 2018, ACC-NJ awarded more than 7,200 contract actions obligating over \$6.1 billion. Currently, ACC-NJ manages over \$23.4 billion in active contracts.

The center also has unique expertise with executing grants, cooperative agreements and Other Transaction Agreements. ACC-NJ has the largest Other Transaction Agreements mission in the Army.

ACC-NJ's expertise in executing and managing Other Transaction Agreements in support of Army and DOD requirements has earned it the designation as the Army's Center of Excellence for Other Transaction Agreements.

ACC-NJ's 312 civilian associates are highly educated. Ninety five percent of the contracting associates have bachelor's degrees and 27 percent have completed postgraduate degrees. Eighty nine percent are Defense Acquisition Workforce Improvement Act certified and 28 percent are certified in both contracting and another field.
