ARMY CONTRACTING COMMAND ORLANDO

The contracting support services provided by ACC-Orlando are crucial to Army readiness. They provide Warfighters with the latest live, virtual, constructive and gaming training solutions, and test and training instrumentation on time and at the best value for the government.

ACC-Orlando, on average, awards over 2,300 contract actions and obligates over \$2 billion annually. Approximately 16 percent of the organization's annual contract obligations are awarded to small business firms.

Headquartered in Orlando, Florida, Army Contracting Command (ACC)-Orlando is a multi-billion dollar Training Contracting Center of Excellence that focuses on providing global support with a full range of contracting products that provide direct support to a diverse customer base, with a focus on the warfighter.

As the Training Contracting Center of Excellence, ACC-Orlando focuses on procuring a wide range of training and testing products and services to include non-system and system training devices, simulations and simulators; operations, maintenance and service support for test range instrumentation, ground and aerial targets, and services and threat systems for the Army. The contracting support services provided by ACC-Orlando are crucial for outfitting Soldiers with the latest live, virtual, constructive and gaming training, simulation and instrumentation, goods and services.

ACC-Orlando's vision is to be recognized by their stakeholders as the foremost contracting solutions center enabled by a world class workforce. Their mission remains to provide sound business advice and tailored contracting solutions to acquire products and services in support of the Warfighter and our stakeholders.

Known for their communication with industry initiatives, ACC-Orlando hosts monthly Procurement Administrative Lead Time (PALT) Industry Days that serve the contracting community, requiring activities and industry partners alike. Additional information regarding this ACC-Orlando best practice is available on the Federal Business Opportunities website (FedBizOpps at <https://www.fbo.gov/>) and the "PALT Update Session Info" section of the ACC-Orlando public website.

ACC-Orlando is comprised of four contracting divisions with a supporting staff consisting of Policy, Cost and Pricing, Systems, Business Operations, Workforce Development, Mission Operations, Property Accountability/Quality Assurance and a Source Selection Center of Excellence.

ACC-Orlando provides contracting solutions through a dedicated workforce comprised of civil servant employees and military personnel and is an integral member of Team Orlando, which consists of military, industry and academia working together in the world of training and simulation to provide solutions that ensure Army readiness and modernization.
